IN THE MATTER OF THE
COMMISSION'S INVESTIGATION
OF VALUE AND COST OF
DISTRIBUTED GENERATION

DOCKET NO. E-00000J-14-0023

AFFIDAVIT OF MARCUS V LEWIS
REGARDING PROVISION OF NOTICE

State of Utah)
) ss
County of Wayne

Marcus V. Lewis, being first duly sworn upon his oath deposes and says as follows:

1. I am the CFO at Garkane Energy Cooperative, Inc.
3. In that capacity, I personally oversaw the distribution of the notice of this proceeding as required by the December 23, 2015 Procedural Order entered in Docket No. E-00000J-14-0023 ("Procedural Order") by placement in the United States mail on January 21, 2016, the form attached as Exhibit A, postage prepaid addressed to Garkane's Arizona customers of record.

DATED this 27 day of January, 2016.

Marcus V. Lewis

SUBSCRIBED AND SWORN to before me this 27 day of January, 2016.

Notary Public

My Commission Expires: 4-12-19

In 2014, the Arizona Corporation Commission ("Commission") opened Docket No. E-00000J-14-0023 to conduct a generic investigation on the cost to serve customers with distributed generation ("DG") (e.g., solar) and the value of DG. In response to certain proposals by Arizona Public Service Company to address the cost of DG and net metering, the Commission has directed an evidentiary hearing be held under its generic docket. The Commission expects to produce a factual record relating to various specific proposals based on cost of service studies and the value of distributed generation related to specific Arizona electric public service corporations. Arizona electric public service corporations are not required to actively participate and many do not plan to do so. However, the Commission has ordered all Arizona electric public service corporations provide notice of the evidentiary hearing because the Commission believes the factual record created in the generic docket might be shown to be relevant and admissible for use by the Commission when asked to authorize rates (such as net metering tariffs) for individual Arizona electric public service corporations. This notice is provided to comply with the Commission's order to provide public notice of the hearing. **All questions regarding this notice should be directed to the Commission's Consumer Services Section at 602-542-4251 or 1-800-222-7000 (outside the metro Phoenix area).**

PUBLIC NOTICE OF GENERIC HEARING
AT THE ARIZONA CORPORATION COMMISSION
REGARDING THE COST OF SERVICE FOR CUSTOMERS WITH
DISTRIBUTED GENERATION
AND THE VALUE OF DISTRIBUTED GENERATION
(DOCKET NO. E-00000J-14-0023)

The Arizona Corporation Commission ("Commission") will hold a generic evidentiary hearing to investigate the cost to serve customers with distributed generation, and the value of distributed generation, in Docket No. 00000J-14-0023. The hearing is intended to produce a factual record that will be available for the Commission to use in future proceedings for all Arizona electric public service corporations. You are receiving notice of the hearing because its outcome may impact you as a customer
